

108 loan program. In its current construction, this linking requires that communities set aside Community Development Block Grant (CDBG) funds as collateral for these loans. The delinking accomplished by our legislation will greatly increase the availability of brownfields cleanup funds for localities across the country.

One of the reasons that the brownfields programs has been so successful is that it combines support from the environmental community with that from a strong coalition of local governments and developers. Some environmental groups have expressed concern that the definition of "brownfields" in H.R. 2941 does not sufficiently track the definition in the Small Business Liability Relief and Brownfields Revitalization Act and could threaten the principle that polluters pay for their damage. While I support this legislation today, it is my intention to work with these groups to satisfy these concerns as this legislation moves forward.

It has been my pleasure to work with my colleagues on the Financial Services Committee on this legislation which was introduced by Representative GARY MILLER. I also want to thank Housing Subcommittee Ranking Member BARNEY FRANK and his staff for their work on this bill.

Mr. FRANK. Mr. Speaker, I yield back the balance of my time.

Mr. GARY G. MILLER of California. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from New York (Mrs. KELLY) that the House suspend the rules and pass the bill, H.R. 2941, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
